

Reception - Dues Payment Quick Guide

How to record a member's dues payment in Odoo so the Secretary can post it into CLMS - preventing the member from getting renewal notices for dues they've already paid.

What you do: open the member, click **Pay Dues**, pick the payment type, click **Post Payment**. **That's it.**

What you do NOT do: click "Mark as Processed in CLMS." That button is for the Secretary only.

Audience: Reception, front desk, on-duty volunteer. **Time:** ~1 minute per payment. **You do NOT need to:** calculate the dues amount - Odoo fills it in.

Before you start

- Confirm the member's name (last name is fine for search).
- Ask how they're paying: cash, check, or card.
- If by check, jot the check number - you'll enter it on the form.
- If by card, run it on the Clover terminal AFTER you post the payment.

Step 1 - Open the Contacts app

Click the **waffle icon** (top-left, nine little squares) to open the apps menu. From the dropdown, click **Contacts**.

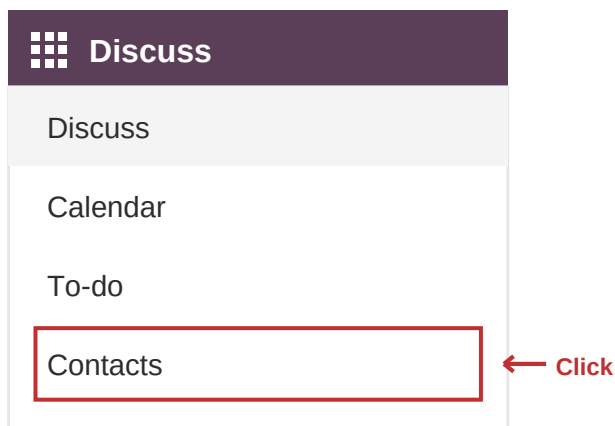

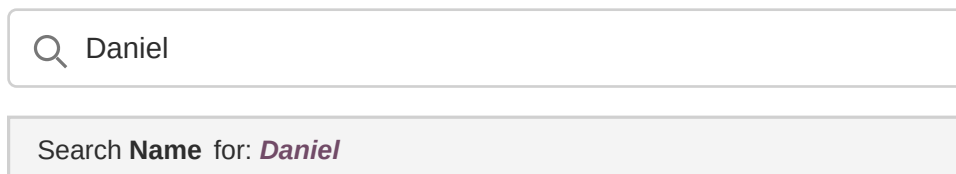

Figure 1 - Apps menu. Click Contacts.

Step 2 - Find the member

Type the member's first or last name in the search bar and press **Enter**. Odoo shows a dropdown chip like "Search Name for: Daniel." Press Enter or click the chip.

Then click the matching member in the results list.

Figure 2 - Search by name, then click the matching contact.

Two members with the same name? The Member # column tells you which is which. Member numbers are unique. Confirm with the member if you're unsure.

Step 3 - Click Pay Dues

The smart-button bar at the top of the contact has **Pay Dues** in purple at the very front (only visible when the **Elk** toggle is green). Click it.

The screenshot shows a contact profile for Daniel L. Santiago. At the top, there is a 'New' button and a 'Contacts' label. Below this is a red arrow pointing to the 'Pay Dues' button, which is highlighted with a red box. The 'Pay Dues' button is purple and located at the front of a smart-button bar. Other buttons in the bar include 'Invoiced' (\$ 0.00), 'Meetings' (0), 'Tasks' (0), 'Purchases' (0), 'Mark RTS', 'Drop Member', and 'More v'. Below the buttons is a profile section with a pink square icon containing a white 'D'. To the right of the icon are radio buttons for 'Person' (selected) and 'Company'. Below these are five toggle switches: 'Elk' (green), 'Volunteer' (green), 'Customer' (green), 'Initiate' (grey), and 'Guest' (grey). Below the toggles is a green checkmark and the text 'Linked to employee' with a double-headed arrow and 'Merge Duplicates'. The contact's name 'Daniel L Santiago' is displayed in large bold text, followed by an email address 'dslewiston@gmail.com' and a phone number '208 792-7021'.

Figure 3 - Pay Dues sits at the front of the smart-button bar.

Pay Dues not visible? The **Elk** toggle (top-left, just below the name) is OFF. Reception cannot flip this toggle - flag the Secretary.

Step 4 - Pick the payment type

Odoo opens a draft payment record pre-filled for this member. The amount and line items are already calculated. You only need to confirm the **Payment Type** and, for checks, enter the **Check Number**.

Payment Type	When to pick it	Typical total
One Year Dues Payment	Annual renewal - the default. Most payments.	\$161.50
Life Member Dues Payment	Member is on the Life roster (reduced annual rate).	\$50.00
Six Months Dues Payment	Half-year payment - rare; only if member asks.	~\$80.75
Pro-Rated Dues Payment	New member joining mid-lodge-year. Secretary usually handles these.	varies
Custom / Misc. Payment	Anything else - corrections, fees, etc. Ask Secretary first.	varies

Step 5: Click
New **Daniel L Santiago / One Year Dues Payment / 2026-05-13**

Post Payment Cancel **Draft** Posted

MEMBER & PAYMENT		DETAILS	
Member	Daniel L Santiago	Transaction Date	May 13
Member No.	013767	Check Number	—
Currently Paid To	Apr 1, 2027	Daily Batch	—
Payment Type	One Year Dues Payment v Step 4: pick type	Lodge Year	2026-2027

		Journal Entry	—

CLMS PROCESSING

CLMS Status **Pending CLMS Entry**

Rate / Fee	Description	Default	Amount Paid
[19] Regular - GL Insurance	Regular - GL Insurance	23.00	23.00
[20] Regular - GL Per Capita	Regular - GL Per Capita	6.50	6.50
[21] Regular - State Fees 1	Regular - State Fees 1	6.50	6.50
[5F] Regular - Dues 12 Mos	Regular - Dues 12 Mos	120.00	120.00
[5G] Regular - The Elks Magazine	Regular - The Elks Magazine	5.50	5.50
[5H] Regular - ENH Per Capita	Regular - ENH Per Capita	0.00	0.00

Figure 4 - Pay Dues form (Draft). Pick the type from the dropdown, then click Post Payment.

Step 5 - Click Post Payment

After picking the type, click the purple **Post Payment** button at the top-left. The state changes from **Draft** to **Posted**:

- **Total Paid** is finalized (e.g. \$161.50 for a Regular One Year).
- **Journal Entry** gets a number (e.g. EJE/2026/0011) - Odoo has recorded the income.
- **Dues Paid-To After Payment** jumps forward (e.g. Apr 1 2027 -> Apr 1 2028). The member is now current.
- **CLMS Status** stays "**Pending CLMS Entry**" - that's the Secretary's signal to do their part.

Mark as Processed in CLMS

Reception: DO NOT CLICK

Draft

Posted

DETAILS (after posting)

Journal Entry	EJE/2026/0011 / 2026-05-13
Total Paid	161.50
Dues Paid-To Before Payment	Apr 1, 2027
Dues Paid-To After Payment	Apr 1, 2028 <- advanced one year
CLMS Status	Pending CLMS Entry <- Secretary works from here

Activity log: Administrator - Draft -> Posted Payment Posted: One Year Dues Payment

Figure 5 - Posted state. State pill flipped to Posted, Dues Paid-To advanced one year, Journal Entry created.

STOP HERE. Do NOT click "Mark as Processed in CLMS." That button is the Secretary's checkmark, used after they enter the payment at Grand Lodge. If Reception clicks it, the Secretary loses the signal that this payment needs CLMS attention - and the member may keep getting renewal notices.

Step 6 - Take the money, hand off the member

- **Cash:** put it in the reception lockbox.
- **Check:** the Check Number you entered on the form is the audit trail; put the physical check in the lockbox.
- **Card:** run it on the Clover terminal now. Clover syncs back to Odoo automatically - no extra entry.
- Hand the member a receipt if your lodge issues one (print or email from the Pay Dues form).

What happens next

The Secretary's CLMS queue shows every Posted payment with **CLMS Status = Pending CLMS Entry**. The Secretary logs into the Grand Lodge CLMS website, records the payment there, then comes back to Odoo and clicks **Mark as Processed in CLMS** - which is what stops the renewal notices to the member.

Your job is done at **Post Payment**. If you accidentally close the form without posting, the payment is lost - the member still owes. When in doubt, re-open the contact and check the **Dues Paid Through** date.

Quick troubleshooting

Symptom	What to do
Pay Dues button missing	The Elk toggle is OFF on this contact. Flag the Secretary.
"The Elks FRS module must be installed"	elksfrs is disabled. Call the Secretary or system admin. The payment did NOT save - do not retry until elksfrs is back.
Total Paid shows \$0.00	Wrong Payment Type, or no line items pulled in. Cancel, re-open the form, double-check the type. If still \$0, flag the Secretary.
Member is suspended or dropped	Red Suspended or Dropped ribbon on the contact. Do NOT collect dues. Direct them to the Secretary or a Trustee.
I clicked Mark as Processed in CLMS by mistake	Tell the Secretary right away. They can reverse it from the Secretary dashboard.
Wrong amount	If Total Paid looks completely wrong (e.g. \$0 for Regular, \$161 for Life), STOP - do not Post. Flag the Secretary.
